## Dragon loose in Liss

*By Ellie Scandrett*

On Thursday 8<sup>th</sup> October 2020 a **giant, scaly** dragon appeared in Ash class and shocked the children.

The events began when an egg appeared on the top of Liss Junior School's roof. Mr Haycock found two **sparkly** eggs and he gave one to each year 3 class to keep an eye on. The green, sparkly egg disappeared a week before. A member of the Ash class Henry White noticed the egg had gone missing. "I was a little bit worried that there was a dragon loose in our classroom" stated Mr White.

This is amazing because no other school has discovered a dragon before **so the children in Ash class have to look after it.**

The dragon is now in Mrs Myers office because it's afraid of loud noises. Ash class are investigating to see if there are any other dragons in Liss Junior School.

**If you see the dragon, please tell the children of Ash class in Liss Junior school.**
