## Lost dragon

*By Emma Bennett*

On Thursday 8<sup>th</sup> October 2020 a **sparkly** dragon appeared in Ash class and shocked the children and the teacher.

The events began when a **miraculous** egg appeared on the top of Liss Junior School roof. Mr Haycock found two green, sparkly eggs and he gave one to each year 3 class to keep an eye on. A member of the class Henry White noticed the egg had gone missing.

“I was a little bit worried that there was a dragon loose in our classroom,” stated Mr White.

Their discovery is amazing because nobody has ever found a dragon in Liss before.

The dragon is now in Mrs Myers office because it's afraid of loud noises. Ash class are investigating to see if there are any other dragons **like it, or it's family**, in Liss Junior School.
