

LISS POST

THE SUSPICIOUS DRAGON

By Henry White.

On Thursday 8th October 2020 Miss Duncan discovered a baby fire dragon by the plant pot in Ash class.

“I was a little worried that there was a dragon loose in our classroom,” stated Mr White. Mr Haycock had found the egg on the roof when he was fixing the roof two weeks before.

This is the first dragon ever to be discovered in Liss so it is important to take care of the dragon.

Mrs Myers is taking care of the dragon so the dragon won't distract children's learning.
