## Dragon loose in Liss!

*By Rudy Howard-Harwood*

On Thursday 8<sup>th</sup> October 2020 Ash class found a blood thirsty dragon in their luxurious plant pot. They were so shocked.

At the beginning of term Mr Haycock found a dragon egg and gave it to Ash class to look after it **because it's father or mother abandoned it.**

After a few weeks Henry white realised the egg had gone.

**"I told Miss Duncan that the egg had gone missing but she didn't really believe me," added Mr White.**

Another few weeks later Miss Duncan found the dragon in a plant pot. Ash class detectives spotted some scratch marks and bitten leaves. Then Miss Duncan gave the dragon to Mrs

Myers because the dragon was disturbing Ash class.

**The dragon is an incredible discovery** because no one has ever seen a dragon before. It might burn down the school so Mrs Myers is going to look after it. If it behaves badly once more, it will have to be banned from the school.
