## The suspicious dragon in school

*By Tinuke Ogunrombi*

On Thursday 8<sup>th</sup> October 2020 a fierce dragon appeared in Ash Class and shocked the children and their teacher, Miss Duncan.

The events began when an egg appeared on the top of Liss Juniors school's roof. Mr Haycock found the gigantic eggs and he gave one to each year 3 class to keep an eye on. The green sparkly egg disappeared a week before Ash class found it. A member of the class Henry White noticed the egg had gone missing.

"I was a little bit worried that there was a dragon loose in our classroom" stated Mr White.

This discovery is interesting because nobody has ever

seen a dragon in Liss before so the children were very happy.

The dragon is now in Mrs Myers office because it is afraid of loud noises. Ash class are investigating to see if there are any other dragons in Liss Junior School so please look out.
